

Memcor Inc. provides repair/refurbishment on all Memcor/E-Systems style Magnetic Brake and Damping assemblies.

Charges:

Test, Evaluate, and Quote \$250.00

Repair/Refurbish \$400.00 + parts price (average price \$1,000.00)

A refurbished Magnetic Brake will contain a new Damping ring and replacement of any worn parts. The unit will be sealed, painted, and tested to “new unit” specifications.
